Introduction

“Nexus has rapidly grown into a true Luxembourgish success story - attracting tech entrepreneurs from across the globe. More than just an event, it's a stage for bold debates on the latest tech trends and a showcase of Luxembourg's strength in innovation and its sovereign data economy.”

Luc Frieden
Prime Minister of Luxembourg

+8,400 attendees	+500 speakers	+70 exhibitors
+50 countries	+17 stages	+150 startups
+13,500m² of surface area	+950 guests at the Closing Seated Dinner	+1,700 connections through the event app

Introduction

Nexus Luxembourg 2026 returns on 10–11 June with a bold, curated **4-in-1 format** accelerating AI and technology for a better tomorrow. Bringing together more than **10,000 visitors from over 50 countries**, the summit unites global experts and pioneers, EU policymakers, investors, financial-centre leaders and **250 handpicked startups** and scaleups competing for a **€100,000 Grand Prize** across ten categories.

At the heart of the event, four complementary zones shape a rich and focused experience:

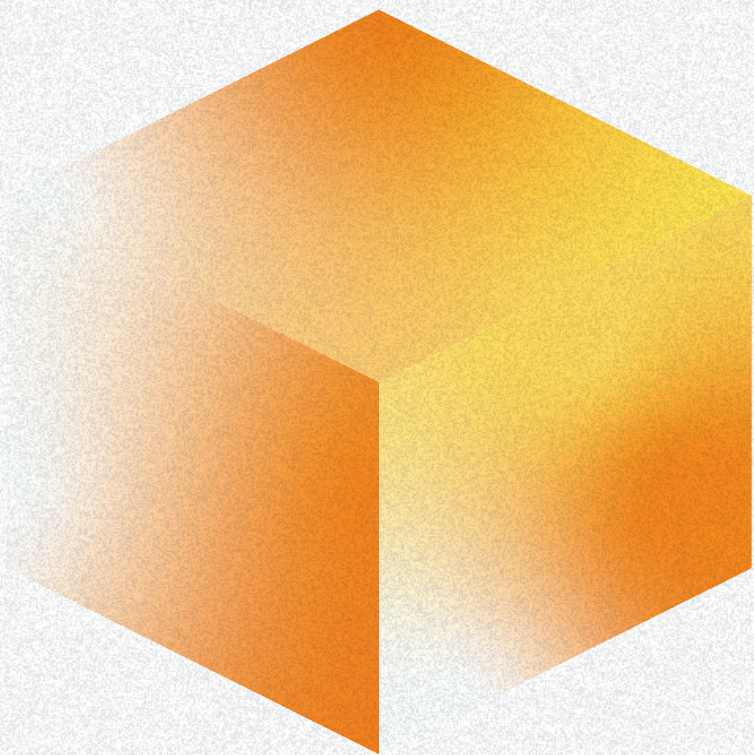

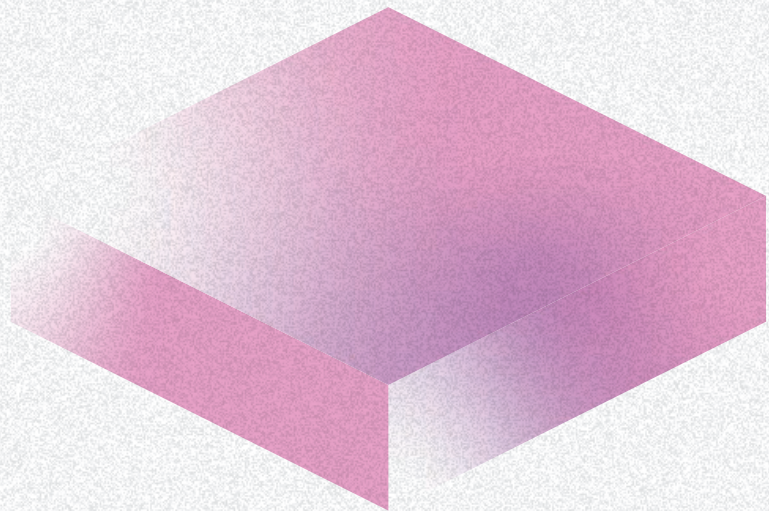

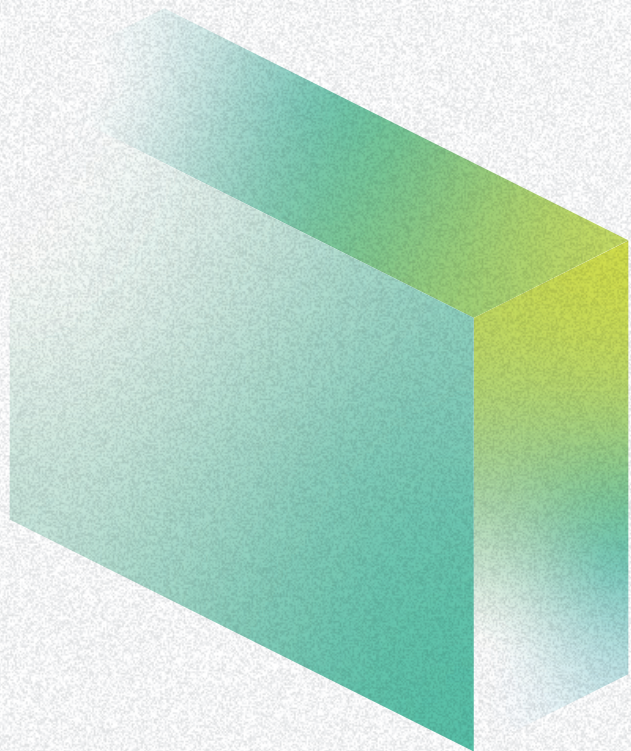

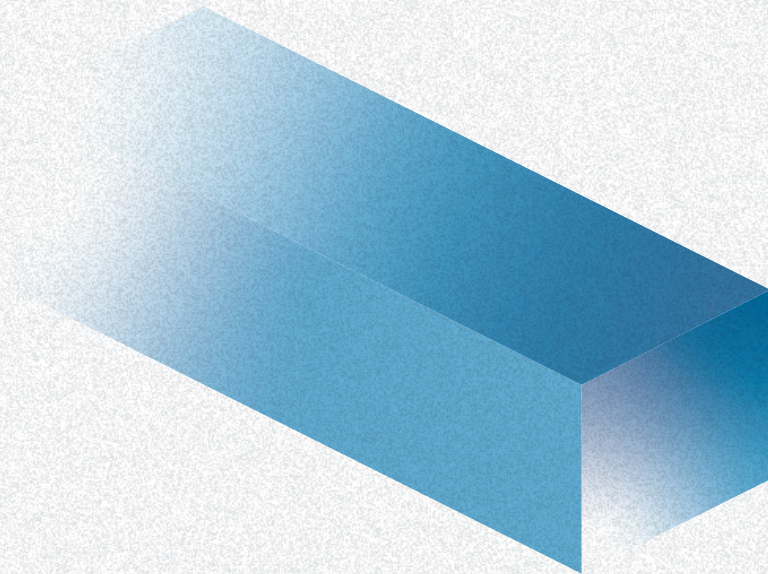

- **Nexus Intelligence Forum**
Applied AI, automation, cybersecurity, sovereignty and productivity technologies.
- **Nexus Fintech Sphere**
The future of finance and digital transformation.
- **Startups & Scaleups Awards**
250 finalists, 10 categories, 1 Grand Winner, expo zone and demo arena.
- **Luxembourg Makes It Happen Pavilion**
National innovation, international guests, AI pioneers and EU policymakers.

With **150+ speakers across five stages**, immersive exhibition areas and high-value business match-making, Nexus positions Luxembourg as Europe’s most agile launchpad for innovation—where international communities connect with one of the continent’s fastest-rising tech ecosystems.

www.nexusluxembourg.com

Nexus Luxembourg 2026

Four Exhibition Zones showcasing business solutions, breakthrough ideas, institutional information and exhibitors from Luxembourg and beyond.

								<p>+150 keynotes, panel discussions and fireside chats and 250 startup and scaleup pitches will take place across 5 stages featuring inspiring leaders in technology, innovation, policy and investment.</p>	
Intelligence Forum		Fintech Sphere		Startups & Scaleups Awards		Luxembourg Makes It Happen			
AI, Automation & Productivity		Finance, Technology & Digital Transformation		250 finalists. 10 categories. 1 Grand Winner.		National Innovation, International Guests			

Intelligence Forum

AI, Automation & Productivity
Expo — Keynote Talks — Panel Discussions — Live Demos

Where intelligence meets impact:
The Intelligence Forum is the beating heart of the conference — a space dedicated to applied AI, autonomous systems, cybersecurity and sovereignty, and productivity-boosting technologies across industries. From leading experts to system architects and product builders, this space showcases real-world deployments, operational efficiency breakthroughs, and the next wave of intelligent tools reshaping how we work.

Fintech Sphere

Finance, Technology & Digital Transformation

In collaboration with leading financial institutions: ABBL, ACA, ALFI, CSSF, LHoFT, Luxembourg for Finance and LPEA.

Where regulated innovation takes center stage: The Fintech Sphere brings together financial players, digital leaders, founders and regulators to decode the future of European finance. Expect sharp conversations on tokenisation, payments, funds, wealth tech, cybersecurity and sovereignty, compliance automation, and the talent shaping tomorrow – with a spotlight on women driving finance and fintech forward.

Including the Women in Finance & Technology ceremony

A dedicated programme powered by **LHoFT - Luxembourg House of Financial Technology**.

Startups & Scaleups Awards

250 finalists – 10 categories – 1 Grand Winner

250 Expo – €100K Pitch Competition – Awards Ceremony

Throughout the two-day conference, 250 startups and scaleups will showcase their innovations in the **Startup Hive** zone, meeting over 10,000 participants.

250 handpicked startups and scaleups from around the world, **25 in each of ten categories**, will pitch their solutions in the **dedicated stage** for **ten 90-minute sessions** (3 mins for each company).

In front of a jury of investors and hundreds of professionals, they'll compete to make it to the **Top 3 in their category**, and ultimately for the title of **“Nexus Luxembourg 2026 – Grand Winner: Startup/Scaleup of the Year.”**

The international Discovery Committee, Selection Committee and Grand Jury, including VCs, leading experts and representatives from Luxembourg's Trade and Investment Offices from around the world.

- Ten categories:**
- Cybersecurity
 - Data & AI
 - FinTech & Digital Finance
 - GovTech & Digital Society
 - Green & Climate Tech
 - Health & Biotech
 - Industry 4.0
 - Smart Mobility & Autonomous Driving
 - Space Tech
 - Web 3.0, Crypto and Digital Assets.

Startups & Scaleups Awards

Nexus Luxembourg 2026 – Grand Winner: Startup/Scaleup of the Year

After a rigorous selection process by an international jury, **30 finalists** will be honoured and winners will be revealed during the high-energy **Nexus Startups and Scaleups Awards Ceremony** at the Closing Seated Dinner Ceremony.

One standout startup or scaleup will receive the **Grand Winner prize**, a package worth **€100,000**, including **€25,000 in cash** and **€75,000 in premium business services** (workspace, consultancy, and media exposure).

Luxembourg Makes It Happen

National Innovation, International Guests

Symposium – Matchmaking Zone – Official Ceremonies

Positioned at the heart of the Nexus experience, the Luxembourg Pavilion brings together institutions, EU policy makers, accelerators, ministries, investors, and national champions to show why Luxembourg is Europe’s most agile launchpad for business and technology.

Flagship moments include:

- **Grand Opening Ceremony** followed by the **official opening tour**.
- International Keynote Speakers.
- **Talent Avenue:** Meet Luxembourg’s Employers
- **Fit 4 Start Graduation Ceremony**, Luxinnovation’s international acceleration programme selects 15 startups out of 400+ applications from 70+ countries.

- **Luxembourg AI Excellence Awards**, organised by Fedil, Luxinnovation and the Luxembourg Chamber of Commerce, celebrates the most impactful AI solutions driving Luxembourg’s business transformation.
 - **Closing Seated Dinner Ceremony**, a signature moment of the summit bringing together 1,000 guests and featuring the official Startups and **Scaleups Awards Ceremony**.
- A powerful platform to connect international guests with Luxembourg’s innovation ecosystem.

9	Space Tech
10	Web 3.0, Crypto & Digital Assets

	What else to expect in 2026	
--	-----------------------------	--

	Networking & social events														
	Pub Crawl On the eve of the summit, participants collect their badges in the city centre and join an international networking pub crawl: the perfect warm-up to meet fellow attendees before the opening day.					Partners – Partners’ Social Events from breakfasts to lunches – Partners’ Cocktails at their stands – Parnters’ private evening events hosted across the city with a limited number of seats for these private gatherings allocated through a selective “beauty contest”					Closing evening* – Closing Cocktail ahead of the Closing Seated Dinner – Closing Ceremony during the prestigious Seated Dinner hosting over 1000 guests followed by the announcement of the Grand Winner of the Startups and Scaleups Awards.				
											*Exclusively reserved for the attendees of the Closing Seated Dinner				

International Guest Programme

A unique gateway to experience Luxembourg's innovation ecosystem.

To reinforce the international reach of Nexus Luxembourg 2026, Luxembourg Trade & Invest partners* will leverage their global networks to promote the event and bring international delegations.

These delegations will benefit from an exclusive pre-programme including site visits and tailored side events showcasing Luxembourg's:

- Economic landscape
- Research and innovation ecosystem (key institutions & programmes)
- Dynamic startup scene and players

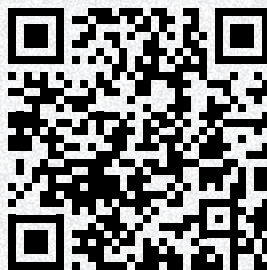

This programme is reserved exclusively for delegations invited through Luxembourg Trade & Invest partners, offering a privileged introduction to Luxembourg's business opportunities and collaboration potential.

* *Luxembourg Chamber of Commerce, Ministry of Foreign and European Affairs, Defence, Development Cooperation and Foreign Trade, Ministry of the Economy, and Luxinnovation.*

--	--

Through expert support and an AI-driven platform, participants can schedule targeted meetings before and during the event and access the dedicated G0 International Business Meetings Lounge, a comfortable space designed for productive exchanges.	
--	--

Destination / Incubator Pavilions

Your entry point to Europe’s launchpad for innovation and market growth

The invitation is extended to foreign delegations and incubators to join Luxembourg’s leading tech event: a unique opportunity to showcase their city, region, or country while building meaningful connections. The event provides a strategic platform to foster relationships with key stakeholders shaping the future of technology and innovation.

The involvement of distinguished entities from Luxembourg’s business ecosystem plays a vital role in strengthening the financial center’s profile and the country’s technological ambitions.

By participating, delegations gain exceptional visibility and contribute to collaborative innovation and strategic partnerships that support Luxembourg’s economic and technological objectives.

	Talent Avenue										
	Meet Luxembourg's employers (Powered by All Eyes on Me)										
	Brand visibility & job promotion at Nexus Company profiles will be displayed on screens at the All Eyes on Me stand, as well as on the “Top Tech & Leadership Jobs in Luxembourg” wall. Each participating company will benefit from a dedicated 1m x 1m space featuring their logo, open positions, and a QR code directing students to their job offers on AEOM. A powerful opportunity to engage with top talent and strengthen your employer brand at Luxembourg's flagship tech event. <u>Package Price: €5,900</u>										
		Student ticket sponsorship Up to 100 sponsored tickets per company. Students apply by selecting their preferred sponsoring company.					Exclusive company visits Organised bus tours take students to visit sponsoring companies, offering a direct insight into Luxembourg's leading workplaces and career opportunities.				

Our values and commitments

Diversity & Inclusion

Nexus is committed to transforming gender dynamics in tech. Our ticketing strategy and networking initiatives are designed to **empower women, fostering meaningful connections** with industry leaders and peers.

Sustainability & Responsible Practices

All attendees, speakers, and partners are encouraged to choose public transport whenever possible and to adopt low-waste principles in catering, merchandising, and stand design.

The event's partner hotels are conveniently located along the tram route, ensuring easy access **via public transport (free of charge), and making sustainable travel simple for everyone.**

Strategic Location & Accessibility

Nexus takes place at **Luxexpo The Box, at the heart of Luxembourg's business district** and adjacent to European institutions. The venue is fully integrated into a multi-modal transport hub, ensuring seamless access by road, rail, or air from Luxembourg and neighboring European capitals.

We believe that accessibility, sustainability, and inclusivity are not just principles, they are the foundation of a truly impactful event.
